Please, note that I need a program to produce a.mp3 from a.wav. The question is: is there any program to do so? Bellow I post the sound I need to convert. Thanks for helping! A: try the sound converter SND Converter Open SND Converter Your file will appear in the left window, in the middle window you will have to choose the program with which you want to convert your sound file. This program will run, then in the right window a.mp3 file will be generated automatically. (For more info about SND Converter, read this) The latest torrent of

celebrity photos for the paparazzi to twist and twirl over is Master P! The rap mogul, along with his musical protégé, get a little sextastic in this hot new set, sizzling their way through a dinner date with their respective golden girls. The picture is being touted as “an exclusive FIRST look at Master P’s wedding to his new bride, Tammy Cooper.” The shoot itself is no secret, being posted on VIBE right after the couple’s wedding night. But the paps get a number of different angles on the photo spread for a variety of different outlets. (WSJ says VIBE and Red Letter Media received the pics first.) So what do you think about the photos? Too sexy? Too tacky? We just take it as a day in the life of a celebrity. “He’s always dating the beautiful women and I’m always gonna stay with him forever, even when he gets older,” Cooper said. “I’m the same age as my sister, but she’s more mature. I’ve gotten to the point where I have a plan for my future, and so does he.” I mean how else do you think a 23-year-old could find herself married to a 70-year-old man? I mean, it doesn’t just happen! Photographer Brian Bowen, who did

the wedding portraits, is one of the same people that took Kim Kardashian's wedding pics, and we can't help but wonder if they are supposed to be dealing out a double dose of knockout 'Rajasthan here. Or possibly giving her a crash course in BDSM.
